**BUSINESS NEWS – ENERGOPROJEKT HOLDING CO. BELGRADE**

**ENERGOPROJEKT CO. HAS CONCLUDED A 7 MILLION EUR NEW PROJECT IN SERBIA**

Energoprojekt Oprema Electrical and Mechanical Engineering Co. and "Elektromreže Srbije" signed at the beginning of the year, a new significant contract concerning the construction of a long-distance power line from Niš to Leskovac. The value of the contracted project is cca 7 million EUR. The project will be financed by European Agency for the Reconstruction (EAR). Energoprojekt Oprema Co. is engaged on this project with two more Serbian companies - Minel and Elektromontaža and is a leader of consortium. According to the Contract, a new long-distance power line from the transformer station Niš 2 to the transformer station Leskovac 2, transmitting the electric power under the voltage of 400 kv, is planned to be finished until the end of November 2008.
